Important and successful key items

WSK Promotion

More than 15 years of experience in the motorsport world and a 6-year commitment in the very successful promotion of the F.4 Championship powered by Abarth. These are the main credentials of the promoter that will deal with the launch and management of the new Formula Regional - Certified by FIA, on tracks all over Europe.

Tatuus

A reliable manufacturer, involved for many years in the design of high-performance cars while following the strictest safety standards imposed by FIA, Tatuus also relies on its other great points of strength in producing the best value for your money for cars on the market. During the Formula Regional Championship - Certified by FIA, Tatuus will provide on-track assistance.

Alfa Romeo & Autotecnica

Always synonymous with races and competitions, Alfa Romeo is directly involved in the project Formula Regional - Certified by FIA, by supplying the engines which the cars are equipped with. The engines will be prepared by Autotecnica, which will make them available for the teams and drivers, while also providing its competence and knowledge for on-track assistance.
